Kamran Khan Bangash

Honorable Minister Higher Education KPK

Message

Global Health College of Nursing and Allied Health Sciences is private sector affiliated institution of Khyber Medical University in the field of BS Nursing, Post RN and LHV at Peshawar. It's a new private sector Educational institution showing commitment to growth and Establishment of a standard Allied Health institution at Peshawar.

The Gap regarding the requirement of Allied Health personnel is Widening day by day and needs to be addressed in order to support the Health care delivery system in a professional manner .The provincial government has prioritized both educational and Health sector of province and is heavily investing in it public sector alone cannot to cater the requirement of Khyber pakhtunkhwa. The private sector needs to be encouraged and supported to play its due role in the field of Allied Health Sciences Education in order to meet the growing demand of the population.

Global Health College of Nursing and Allied Health Sciences , department of Health Sciences should provide conducive environment to both the faculty and students so that it not only flourishes as an academic institution but also sustain the trust of public and regulatory bodies. The institution is advised to make sure that the students actively participate in co-curricular activities as well.

Dr. Zia Ul Haq

Vice Chancellor

Khyber Medical University KPK

Message

I believe that the most valuable inheritance that can we bequeath to our next generation is to empower them to think, to reason, to analyze and to develop empathy for the rest of the humanity. Provisional of high quality Education is to catalyst to equip the next generation with these attributes.

Well Educated Citizens not only create a harmonious society, but also an important ingredient for economic growth and social development of any country.

Education and health are on the top of my government priorities list. The present government is determined to deliver the health and educational facilities at the doorstep of the masses. We hope that private sector will equally shoulder this responsibilities along with public sector.

I am immensely pleased to know that Global Health College of Nursing and Allied Health Sciences has established department of Health sciences in affiliation with KMU and started undergraduate classes in medical discipline. A well planned and managed undergraduate Education forms a strong foundation for quality research, health care and advanced post graduate medical education. I congratulate the management, faculty and students of GHCN college on this great achievement.

All Prayers for your best future “Ameen”

Saifoor Shah

Director

Global Health College Of Nursing & AHS

Message

Our Educational system is organized according to the needs of the modern health care services. At Global College Of Nursing, we support your growth and success in a caring environment. We seek to promote student learning and development through various, high-quality services, programs, and opportunities that will allow you to balance the components of intellectual, physical, emotional, social, and spiritual growth.

Global College of Nursing is committed to prepare young minds for the globalized world. Being an institution of Higher Education, The College is dedicated to the innovation and transmission of the knowledge that will encourage the Education of the new generation, male and female, who will be capable of shaping the new vision in the field of Health Sciences.

We toil with students to provide them with a variety of experiences during their time at college. Whatever your area of interest, education is not just about academic excellence, but an ambience for developing the right set of skills and attitude to improve the lives of Individual in a changing and complex global society.

I assure you my dedication for the betterment of students and highest commitment towards uplifting the Institute. I am delighted to welcome all the students to **GLOBAL College of Nursing Peshawar** and wish them all the best in their future endeavors.

INTRODUCTION

Global Health College of Nursing & Allied Health Sciences is a provider of university-level Education in the province of Khyber Pakhtunkhwa. DRESS CODE FOR PARAMEDICAL STUDENTS

Students are expected to appear in decent and sober outlook. To achieve this, the following will be the dress code. It must be followed by all students during lectures, practical, tutorials, seminars, out door and in door hospital duty and in all Institute functions. Uniform is compulsory whenever the student visits the Institute either taking classes or not. The students must wear white coat while attending laboratories, dissection hall and hospital.

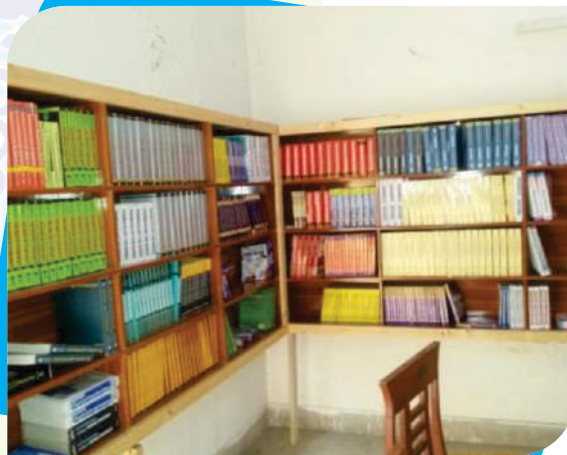

FEMALE STUDENT'S DRESS CODE

Grey color shirt, white shalwar (no pajama) and footwear with no high heel along with white dupatta/Shawl, Black shoes and white long overall below knee length and for winter Maroon color sweater/coat is allowed. If any student uses Abaya or Niqab, it shall be in conformity with Uniform.

MALE STUDENT'S DRESS CODE

White Shalwar Kameez with white overall where necessary along with Peshawari Black Chappal or white shirt with full sleeves with gray pant along with black shoes. No tight jeans and half sleeves, and for winter Maroon color sweater/coat is allowed.
